

If you intend to have a contribution in the EASST-Newsletter, please contact the EASST Secretary Dr. Julia Padberg (email : padberg@cs.tu-berlin.de).

For preparing your contribution, please use one of the following templates:

- LaTeX (more precisely a package to be used),
- WORD, and for
- FrameMaker.

If your contribution is finished, please translate it into one PDF-document. Each of the above word processing systems admits this.

And then send it to the EASST-secretary (Dr. Julia Padberg, padberg@cs.tu-berlin.de)

Using these templates you help ensuring an even and nice layout.
